

WGI COLOR GUARD CONTEST RULES

2017

WGI discourages independent color guards from utilizing high school students who were previously enrolled in an active winter guard high school program and have not yet graduated.

WGI also discourages independent color guards from utilizing performers who have outstanding monies owed to a previous color guard.

WGI strongly recommends that performing groups and their directors/staff use the utmost caution and forethought in planning and use of props that might place participants (and others) in potential danger during assembly or use.

All performers at a WGI event will be required to wear protective footwear while outside the performance area.

Combined scholastic color guards may only use students that are in their district and/or home-schooled students that would be zoned for those schools. Color guards combining students from different schools may be asked for additional information on reasons for combining students. The

(Curved and straight poles are acceptable; however, complete circles, squares, etc. to which material is attached are not flags. Material attached to chains, ropes or hoses are not considered flags.)  - 4.2.4 Authorized equipment may be modified by the addition of visual items, however, attaching a flag, rifle or sabre/sword to a prop does not make the prop a flag, rifle or sabre/sword – it is still a prop. Timing and Penalty judges have the right to inspect and challenge guards for authorized equipment either before or after the maximum performance time with permission of the Contest Administrator.
- 4.3 Definitions of other allowed equipment:

The Contest Administrator, Chief Judge or Director of Color Guard shall at all times have the authority to prohibit the use of any prop or equipment that presents an unreasonable or unacceptable risk of injury or harm to participants or others or potential danger to a venue or its property.
